AARGH!

These two dressed as ninjas could they be...

...from the same gang as those robbers?

robbers?

Right! Let me begin.

...as fast as feet!

...This occurred close to noon.

In order to let Kikumoto be the first to evaluate the results of my training.

What was the training?

I came home as fast as I could!

But

Those intruders went
from thieves into
robbers in an
instant -

and without
a single
word
came at
me...

BUT I, Kyou-
shiro Inamori, may
be still young, but
I am at least the
acting master of
the dojo! No matter
how incompetent...

...I WILL
LET NO
ENEMY
RUN AMOK
IN HERE!

Please
don't let
that thing
run amok
in here
either...

SPINNING

CENTER
LEG!

This attack reflects far more mental damage than physical...

...and when used by me, it has ten times the power!

CLUNK

The intruders' spirit broken, retreats to the foyer...

Center Leg strikes again!

They were landed right out of the foyer...

Should Shortband

Basically...

...there's no mistaking the fact that American ninjas had come here as well.

Hmm then that means...

If Kurumi had just stayed here like she should then we wouldn't have been involved!

There— she had no business running around wild outside!

Then I am pretty

Hmm!
At first

is just a
toilet...

Please
wait here
for a
moment!

Hidden
inside is
a Shindo
family
secret!

So I can't give
it away to out-
siders just like
that. Sorry!

A
Shindo
family
secret?

Don't
you
already
know
about
this?

You've
been here
regularly
and still
you were
in a dark
room...

No-
I don't
But-

You jerk!
Even if you are
just talking a
game, you had to
make it sound so
mysterious!

Can't I
even have
a pee on
the way?

Man,
you
guys—

Well, let's
make it a
big show and
tell of Shindo
family
secrets!

But, the
entrance
is narrow
so when
coming
down.

Basically,
this place...

...is the place
where the
Shindo family's
ancestors stored
the many spoils
of wars that
they acquired
as ninjas.

Spoils
of war?

What's
the deal?

This looks
to me just
like a big
mountain
of trash.

Does your
family from
your ancestors
down suffer
from "Can't
Clean-up
Disease"?

Yeah right!
There's real
treasure in
here too!
Look at this!

See?

If you don't
believe me,
take it to be
valued - it'll
be worth a
million yen
easy!

Hmm?
This
is...

...of
course!

This sword is...
a master weapon
secreted by the
Taniuchi family -

SCOWDING!!

What is it
doing here?

This sword
should be stored
deep within my
family's vaults

WHAT SPOILS
OF WAR?

Looks more like
stolen goods!

That
means

my master-
piece is in
here too!

Really?

It saves me the trouble of going back for a sword.

but all the so-called "secrets" here are just plain stupid!

Where's all the important stuff hidden?

The Secret Garden

Where could they be?

No matter what I've only seen it once when I was small anyway!

Who hasn't seen this scroll book for so long?

We're looking for the Tiger Roll

Slender-ryu's secret manual!

Pretty cool name

But as I recall, it's just some tattered old scroll?

*I vaguely
recall...*

*my mother
seemed to
place great
importance
in this thing
at that time...*

Hey,
isn't
this
it?

Huh?

Oh, you
found it?

I don't
know how
to open
it but...

Yup, this
is the
good

Great!

Even if
we don't
know what
this thing's
value is

now that we
have what the
enemy wants
in our hands
we've got
the room to
negotiate!

In that
case...

We'll
just have
to see
who's got
the better
cards?

Or is
that the
best you
can do?

HEE

HEE

My dear
